

Cat5e 1m Network Cable (Orange)

1,200 AMD

This Ethernet cable connects all the hardware destinations on a local area network. The 50-micron gold-plated RJ45 (male-to-male) cable connectors ensure clean and clear network transmission.

• Ethernet cable works excellently with 10, 100 and 1000 base-T networks

• Snagless molded strain relief protects cable's RJ45 tap from being damaged during installation.

• Color: Orange

• Length: 1m
